## Dr. Alessandro Mario Greco

Dr. Greco took his Dental Degree at University of Rome "Tor Vergata" in 1999, his Postgraduate Degree in Orthodontics at University of Ferrara in 2007, served as Postgraduate Fellow at San Giovanni Calibita Fatebenefratelli Hospital Isola Tiberina in Rome from 2000 to 2015, became PhD Doctor at University of Rome "Tor Vergata" in 2015 and Visiting Professor at University of Ferrara from 2013. He is Member of Italian Board of Orthodontics (I.B.O.), Member of European Board of Orthodontists (E.B.O.), Active Member of Italian Society of Orthodontics (S.I.D.O.), Active Member of Italian Academy of Orthodontics (A.I.d.Or.), Active Member of European Orthodontic Society (E.O.S.), Active Member of World Federation of Orthodontists (W.F.O.), Past-President for 2013-15 of the Italian Society of Bidimensional Technique (S.I.Te.Bi), Past President in 2013 of the Italian Association of Orthodontists Specialist (A.S.I.O.), Clinical Speaker Invisalign (2013) and Clinical Speaker GC Orthodontics. Author of scientific papers on national and international journals, speaker at national and international courses and meetings. He has got his own dental practice in Rome with exclusive interest to Orthodontics.

## Dr. Katja Arko

Dr Arko graduated at the University of Ljubljana, at the Faculty of Medicine, with the programme Dental Medicine in 1996. First, the doctor began her career as a general dentist and later on, as a specialist in orthodontics, commencing at the start in the Public Health Centres. In 2007, dr Arko completed her postgraduate studies at the Department of Orthodontics and Jaw Orthopaedics at the Faculty of Medicine of the University in Ljubljana, under the mentorship of prof. dr. Franc M. Farčnik. Since 2010 dr Arko has been working in her own outpatient dental clinic – Ortodent d.o.o., located in two different locations in Slovenia, namely in Slovenska Bistrica and Ptuj. In 2017 dr Arko became an Invisalign Provider. The aligners system has intrigued the doctor completely, so from early beginnings until now the doctor has completed her education by most renowned names of aligner orthodontics such as Master Coip with dr Ivan Malagon and dr Diego Peydro, Master aligner with dr. Pedro Costa Monteiro, Susanna Palma Moya, Kenji Ojima and others. Since the very beginning dr Arko has combined the aligners technique with her general orthodontic knowledge, like including diverse TAD's options (Benefit, PSM, OBS) and FACE -Roth Advanced Orthodontics principals in her therapy plans. In 2020 dr Arko became a Diamond Provider and an invited International Invisalign Speaker and in 2021 and 2022 dr Arko has been in a top 1% Diamond Provider in the CEE & EMEA region - Diamond Apex. So far, the doctor has presented her knowledge at many lectures, in-office courses and Certification Courses, Study Clubs for orthodontist and general practitioners in the region and abroad.

## Dr. Roberto Ciarlantini

Roberto Ciarlantini was born in Recanati (Italy) in 1964 and got his MSD degree with honors at Bologna University, in 1989. He received his orthodontic education in Denmark, at Aarhus University, mentored by prof. Birte Melsen. He is a member of EOS, SIDO, SIBOS and AIOL. He lectured nationally and internationally and published in various international orthodontic journals (American Journal of Orthodontics, Journal of Clinical Orthodontics, European Archive of Pediatric Dentistry). He is mentioned in American Board of Orthodontics Reading List since 2018. He was awarded from Italian Orthodontic Society in 2006 and was finalist in 2012 at Young Chel Park Award during World Implant Orthodontic Congress in Sidney. He was invited speaker at American Association of Orthodontists meeting in Atlanta in 2020. His main fields of interest are biomechanics, skeletal anchorage, interdisciplinary treatment and lingual orthodontics (he is certified in Incognito TM Lingual System and Alias TM Lingual System). He has a private practice limited to orthodontics in Recanati (Italy) since 1991. Other information is available on the website [www.studiociarlantini.it](http://www.studiociarlantini.it)

## Dr. Jan Danz

Dr. Jan Danz je zobozdravnik specialist ortodontije (CH) in magister ortodontije in dentofacialne ortopedije (MAS) na Univerzi v Bernu ter višji zdravnik na Kliniki za ortodontijo na Univerzi v Bernu. Od leta 2023 je aktiven član Angle Society of Europe. Bil je predsednik Švicarskega združenja za ortodontijo v letih 2019 do 2022, sedaj je član tega združenja in član Evropskega odbora ortodontov. Deluje v zasebni ortodontski ordinaciji v Solothurnu v Švici. Doktoriral je leta 2014 na Univerzi Aarhus na Danskem. Poleg rednega kliničnega in akademskega dela je član številnih ortodontskih strokovnih združenj: SSO – Schweizerische Zahnärztesgesellschaft, SGK/SSODF – Schweizerische Gesellschaft für Kieferorthopädie, EOS – European Orthodontic Society in WFO – World Federation of Orthodontists. Za strokovno srečanje SOD je pripravil predavanja s področja retencije in celodnevno predavanje o digitaliziranem načrtovanju v ortodontiji za specializante čeljustne in zobne ortopedije.

## Polona Požgan predavanje za vse udeležence strokovnega seminarja SOD

Polona Požgan je po osnovni izobrazbi diplomirana zgodovinarica in diplomirana politologinja. Vendar se s svojo stroko ni nikoli zares ukvarjala. Že 22 let je medijsko izpostavljena predavateljica komunikacije in retorike, ki na svojih predavanjih s poslušalci na energičen in motivacijski način deli svoje znanje, izkušnje in zgodbe. Dobršnemu delu javnosti je znana tudi kot radijska moderatorka in televizijska voditeljica, v zadnjem času pa svoje znanje in izkušnje predaja tudi na spletnih tečajih, treningih in seminarjih.

Njene izkušnje:

- 24+ let javnega nastopanja
- 500+ tečajnic v spletnem programu
- 100+ predavanj letno
- 40.000+ poslušateljev predavanj

Predavatelji srečanja (od leve): A.M. Greco, K. Arko Kampuš, R. Ciarlantini, Polona Požgan in J. Danz
